UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK  
PROBATION OFFICE

MEMORANDUM

**TO:** HONORABLE HAROLD BAER  
SENIOR U.S. DISTRICT JUDGE

**FROM:** MICHELE GREER BAMBRICK *HGB*  
SENIOR U.S. PROBATION OFFICER

**RE:** JORDAN DESENBERG  
07 CR 401 (HB)

**DATE:** October 25, 2007

Reference is made to the above-captioned defendant who pleaded guilty to Distribution of Child Pornography, before Your Honor on July 19, 2007. Sentencing for this matter is presently scheduled for November 15, 2007. Of note, because the defendant was assigned a new attorney we were not able to interview him until October 19, 2007.

Because this offense involved sexual deviancy, we are requesting that the defendant undergo a psychosexual evaluation. The use of psychosexual evaluations to determine the treatment needs of defendants convicted of sex offenses and risk assessment to the community is consistent with the Probation Department's historical reliance on the expertise of mental health professionals. In relation, we believe that a psychosexual evaluation would prove beneficial to Your Honor in fashioning an appropriate sentence.

Accordingly, we are respectfully requesting that Your Honor order that a psychosexual evaluation be performed by Kenneth J Lau, LCSW, and that he be authorized to gain access to the Metropolitan Detention Center. This evaluation is authorized pursuant to 18 USC 3552(c) and payment for it is provided under 18 USC 3672.

If Your Honor grants permission for the evaluation, we would also request a six-week adjournment of sentencing in order to allow for the evaluation to be completed and still comply with the disclosure requirements of Rule 32. Of note, Mr. Lau is scheduled to undergo knee surgery at the end of this month and will not be able to travel to the MDC to interview the defendant until sometime during late November. The Court's clerk has advised that January 3, 2008, is available.

The Government and defense counsel have been advised that we are requesting a psychosexual evaluation and adjournment, and neither party has an objection to these requests.

It is requested that Your Honor indicate the Court's decision as provided below.

Psychosexual evaluation ordered
